

TRENDY *me*

A stainless steel necklace with alternating black and silver cylindrical beads. A silver-toned chain is attached to the top, featuring a decorative knot and a small circular pendant with a cross-like symbol. A large rectangular pendant with a compass rose design is also attached. The necklace is displayed on a rough, light-colored rock. A matching ring with a similar compass rose design is shown next to the necklace. The background is a dark, solid color.
